

## Installation Manual Double DIN Set CAW 2294-04

(Beispielabbildung)

Mount the metal brackets with the double DIN head unit

(Beispielabbildung)

(Beispielabbildung)

The position of the copper coloured holder can be adjusted to your needs for perfect fit. (see sample)

7. Push the Metal Frame into the facia plate, place both into the dashboard.

Connect all required circuit points and push the double DIN head unit in the metal frame until it snaps in. Fix the facia plate with the original screws, place the trim frame.

Reinstall everything in reverse order to finish installation.
