Double DIN Set contents

Facia Plate

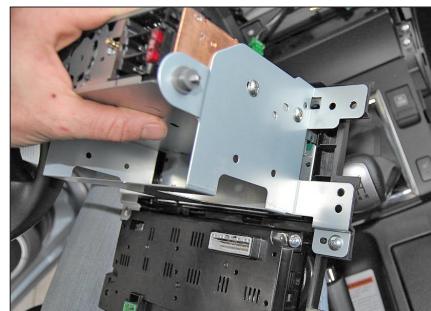

Installation Manual Double DIN Kit CAW 2294-06

1. Remove the side panels at the left and right side of the dashboard

3. Remove the OEM head unit (which is still mounted to the metal cage)

4. Remove the metal frame from the OEM head unit

Mount the metal frame to the Kenwood Navigation

2. Remove the four screws beside the OEM head unit.

5. Mount the new facia plate to the Kenwood Navigation. Connect all required circuit points and place the facia plate (with the Kenwood Navigation) on the dashboard

Fix it with the four original screws

*All installation work must be performed by a qualified professional installer only.
The manufacturer / dealer is not liable for any kind of incidental or indirect damages.*

Reinstall everything in reverse order
