

CR-ST90S

Smart Radio

KENWOOD

SmartRadio™
FM • DAB+ • INTERNET

The elegant smart radio CR-ST90S in a modern design ensures a diverse range of programs: in addition to digital DAB+ and analogue FM stations, an almost endless number of radio stations and podcasts as well as music via Spotify Connect can be received via WLAN. The controls and color display offer intuitive navigation and are easy to read and operate thanks to the slanted top of the smart radio. With the integrated battery, this smart all-rounder can also be used on the go, in the garden or in the camper. Enjoy outstanding sound and diverse entertainment in a modern design.
